Keyword Cluster

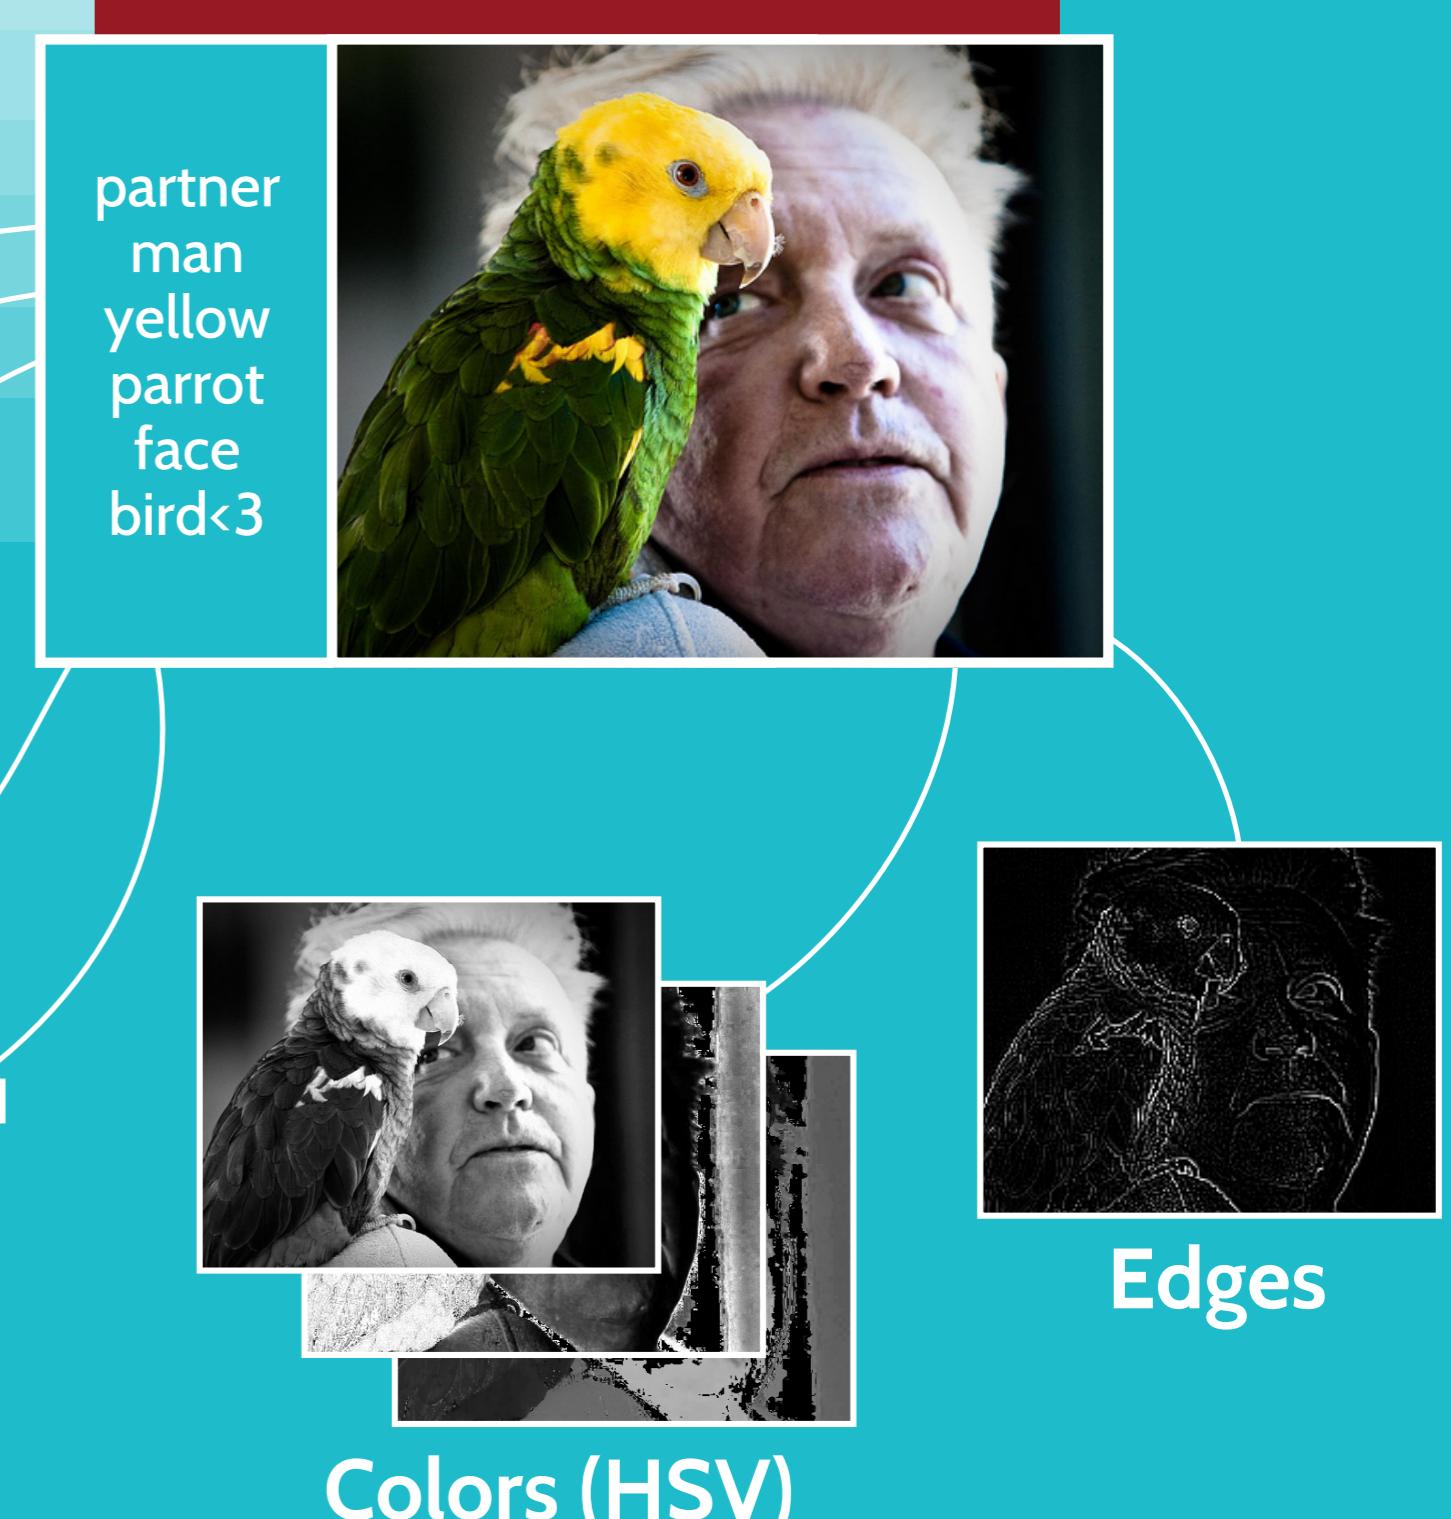

All pictures are then assigned to a keyword cluster. The cluster is chosen based on their title and tags, which have been cleansed previously. This allows to take into account in which context the searched term appears in the picture.

Wordnet Tree

The search term spans a tree of hyponyms and partonyms. Each node is enhanced with related terms, which are included when searching for corresponding images.

Annotated Picture

Visual Features

This is a subset of the result, depicting the "parrot" node. The vertical scale represents semantic groups, with subgroups obtained from the visual features where appropriate.

The Result
